

Car Wash Financing

BUY, BUILD, OR UPGRADE YOUR CARWASH TODAY

Partner with Expedited Capital Funding, a top nationwide lender that understands the unique challenges of the car wash industry.

From self-serve to tunnel to touchless, and more, an SBA 7(a) loan is an ideal funding vehicle for any type of car wash. Not only can you use it to buy, build or renovate a wash, but you can also upgrade equipment, refinance expensive business debt or solve off-season cash flow issues.

We help car wash owners nationwide, big and small. And as a Preferred SBA Lender that approves in-house, we're well equipped to handle rushed financing deadlines, freeing up your time to focus on the important things, like increasing your wash volume.
